Mr. and Mrs. John Bishop celebrated their 50th wedding anniversary at their home in Washington Saturday, Oct. 10. Forty-eight friends and relatives of the couple attended, all of their children being present with the exception of one daughter and her family, who live in Montreal. Twenty of the 27 grandchildren and six great-grandchildren were also present. Games and dancing were among the diversions of the evening. Although she is past her 78th birthday, Mrs. Bishop seemed as young as the youngest and joined heartily in the merrymaking. Mr. Bishop is also in excellent health. The couple were the recipients of several sums of money, including a number of gold pieces, and a variety of other presents. As the company prepared to depart, Mr. and Mrs. Bishop were showered with congratulations and wishes for continued years of happiness. Among those who participated in the celebration were: Mr. and Mrs. Fred Bishop, Mr. and Mrs. Joseph DeColaines Jr., and Mr. and Mrs. Croteau of Barre, Mr. and Mrs. Joseph Bishop and family of Berlin, Mr. and Mrs. Henry Galloway and family of Montpelier, and Mr. Bishop's brother, David Bishop, and his wife, from Coaticook, P. McGillis, who have been absent from home several weeks, returning to some business in Boston and vicinity, are expected home this week. Charles Poole has returned from a

week's visit to his relatives in the vicinity of Wells River.

The item in this column last week should have read that a valuable horse died, belonging to Arthur White, instead of a cow.

A Careful Perusal Will Prove Its Value to Every Barre Reader

The average man is a doubter, and there is little wonder that this is so. Misrepresentations make people skeptics. Now-a-days the public asks for better evidence than the testimony of strangers. Here is proof which should convince every Barre reader.

I used Doan's Kidney Pills and the pain was driven away. I have had no trouble since. It is a pleasure for me to recommend Doan's Kidney Pills."

Sophomores Defeated Freshmen, 12 to 0, at Football.

The annual freshman sophomore football game was played upon the upper parade last Saturday. Both had very good teams but the sophomores have played together more than the freshmen and so they put up a better game. The freshman team was not very far behind. They had a dandy bunch of men and showed the sophomores a few things. The score was 12 to 0. The first touchdown was made by Ogston on an end run, but Smith failed to kick the goal. Tomlin made the second touchdown. Ogston carried the ball over the goal line, but then fumbled it and Tomlin recovered it for the score. Smith also failed to kick this goal. Several long end runs were made and with few exceptions there were no startling plays. This annual class game is always looked forward to with great interest by all the cadets, but especially by the participating classes, as the winning class

Face Was a Sight. Large, Red and Sore. Became Festered. Used Cuticura Soap and Ointment. Recovery Complete.

14 Holmes St., Rockland, Me.—"About a year and a half ago I would occasionally have a small pimple come out on my face and I would scratch it all the time. In doing so I began to have more until about a year later my face was a sight. Then they came on my neck and later on my chest and back. They were large, red and sore and in a very short time became festered. I put on two or three things but they did not seem to help me much. One night before going to bed I washed my face in as hot water as I could bear and used Cuticura Soap, then applied the Cuticura Ointment. The next morning I felt better. In a month my recovery was complete." (Signed) Paul H. Locke, Apr. 4, 1914.
